Webpage : www.sjukhuset3.bostadsratterna.se **Facebook:** "Trivsel i Brf sjukhuset 3"

Socialization committee: trivselgrupp@googlegroups.com

Nomination group (for future board) : See the information in the entrance gate.

Insurance – Make sure you are properly insured including the proper addition for cooperative apartment.

How to recycle the garbage waste correctly :

Waste disposal sorting rooms : On the ground floor, northern part

- **Larger items** – dismantle/cut in pieces to fit in the containers.
- **Paper and cardboard** : fold to reduce size and put in special containers.
- **Plastic bags and containers** : put in special container.
- **Lightbulbs and strip lights** : put in special container.
- **Electric/electronic waste** : put in special container.
- **Batteries and small electronics** : put in containers on the wall.
- **Metal container, lids etc** : put in special container.

Organic waste (food, plants etc) : Collect in paperbags and deposit them in the green containers outside on the north side of the house. New paperbags are obtained free of charge. Contact the board.

- **Glas/bottles etc** : put in glas-containers 200 m east of the house.
- **Chemical waste (paint, cleaning liquids etc), large furnitures, large tv-sets, restoration wastes (plaster, tiles etc) :** You are responsible for transporting this to a proper recyclingcenter. Danderyd Community has a truck that visits the area to collect items at certain dates. Check their webpage for " Farliga Avfallsbilen och Grovis".
- **If you drop waste in the waste chute that can be found on each floor :** only kitchen waste is allowed and you have to put it in a small plastic bag that is tied together.

Laundry room : on 1st floor, north part of the house : book a time with your electronic key.

Problem reporting

Reporting general problems in the house : doors, lights, laundry room, heat, ventilation, changes in the name list in the entrance, change of name on the door and in the gatephone.

Emergency services

Dygnet Jour	Weekdays 4pm-07am	08-18 70 00
	Weekends 24/7	

If you call Emergency services for problems that does not require immediate actions (minor stops in drains, minor electrical problems, broken windows) you will have to pay for the service yourself. As an owner of an apartment you have to pay for any problems that only concerns your apartment.

Living in a cooperative housing society means that we all have to contribute to keep the house in good shape, report any problems as soon as possible, take good care of your apartment and to maintain a good neighbor spirit.
